Kirar created the dramatic runner out of two 24" x 10" panels of Brass Flat Mesh: [whitinganddavis.com](http://whitinganddavis.com) (to the trade). Pandora onyx opaque glass footed compotes, \$150, and vegetables, from \$30; Añejo brass and glass votive holders, \$240, and hurricanes, from \$525, all by Laura Kirar: [arteriorshome.com](http://arteriorshome.com). Aliseo gold-leaf Champagne glasses, \$95 each, and pitcher, \$310, by Nason Moretti: [barneys.com](http://barneys.com). All ceramics: [saranyc.com](http://saranyc.com). "I kept high objects on one end and draped the gold mesh runner down the center, creating the effect of a waterfall."
